

June 13, 2017

You're Invited

... to a series of regional community stakeholder meetings to help optimize waste diversion and recycling efforts in Eagle, Garfield, Rio Blanco, Moffat and Routt counties.

What: First Stakeholder Meeting

When: June 28, 2017, 1:00 pm to 2:30 pm

Where: Eagle, CO

Address: 500 Broadway

Souder Miller & Associates (SMA), on behalf of Eagle County Solid Waste & Recycling, is excited to commence the Northwest Colorado Regional Waste Diversion Study. This meeting is the first of a series of three stakeholder meetings. We will be discussing waste management, recycling and waste diversion in northwest Colorado and encourage all who are interested to participate.

Eagle County Solid Waste & Recycling was awarded a grant from the Colorado Department of Public Health and Environment (CDPHE) to fund this study. The grant is part of CDPHE's Recycling Resources Economic Opportunity (RREO) program. SMA was hired by Eagle County to lead the study and prepare a report.

The study will include three waste composition audits, three stakeholder meetings, a stakeholder survey, gap analysis and a final report. If you are not able to attend this meeting, but are interested in participating, please e-mail Winn.cowman@soudermilller.com to be included in future correspondence.
