

# RANGELY

COLORADO

*Community Open House*

## Rangely Area Chamber of Commerce

### Chevron Shut-In

Beginning mid-May Rangely will have approximately 500 contract workers in town. They will be in town until mid-July. We will need the businesses to open early and stay open late in order to accommodate the needs of the workers staying in town.

### OHV Efforts

We are currently working on pulling together an OHV event in Rangely. We are looking at late summer/early fall. Currently, we are in the process of obtaining an event permit from the BLM.

### Visit Rangely Day

Visit Rangely will be held on May 25. Chamber directors, museum directors, Colorado Tourism Office personel, magazines and media personel will be in town experiencing everything Rangely has to offer.

This a great opportunity for us to expose Rangely to a market that can help promote the area. Konnie is also promoting Rangely through contacts made since she became the Executive Director: attendance at the Governor's tourism conference, materials distributed along the I-70 corridor from Grand Junction to Breckenridge
